

## Sunflower Competition

Sunflowers are the happiest of flowers and we think we could do spreading some happiness right now!

We have launched a children's Raring2grow! Sunflower competition in conjunction with Fruits of the Forest, Sally Jarrott photography and Webbs Garden Centres!

Let's all learn more about this wonderful flowers. Here's what to do:

 Plant a sunflower seed in a pot- (Some garden centres offer online delivery if you need seeds) see instructions here

<https://magazines.raring2go.co.uk/kidderminsterandstourbridge/spring/22/>

-  Water it and care for it.
-  Plant it in the garden when it's big enough
-  Keep a record of its growth - how tall is it now?
-  Take photos of it growing
-  Find out some facts about sunflowers
-  Draw or paint a picture of a sunflowers
-  Over the weeks, create a poster with all your information

 Be as creative as you like!

 Send us regular updates of your flowers as they grow from little seeds into garden giants! We will post regular updates on Facebook and Instagram.

When your sunflower is fully grown, you might like to gift it to a friend, neighbour or relative, to spread the sunshine!

### **Prizes**

There will be two winners.

#### **First prize:**

A fantastic **FREE Forest School Party** (*for up to 12 children*) with a **FREE photoshoot** provided by **Fruits of the Forest** and **Sally Jarrott Photography**

#### **Venue:**

The woodland at Pedmore CE Primary School, Stourbrige. (To be held when Government guidelines suggest it is safe to do so)

#### **Second prize:**

A bundle of children's gardening goodies from **Webbs Garden Centres**.

If you'd like a grown up to share photos of your posters and of your sunflowers, here's the links to our Facebook pages:
