### READING IN YEAR 4

We are having a big focus on reading this year to encourage children to have a love of books. Please read with your child as much as possible during the week to develop their reading and understanding of the text. Please write in their reading record and sign when you have read with your child.

### Homework

Friday: Spelling test and new spellings given

Maths and English books are given out on Fridays, to be returned by the following Wednesday. Your child really benefits from any support you can give them with their homework. Thank you.
